## JOURNAL

## OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 4 December 1962

25X1 1. [ ] Dropped by the office of Representative  
 25X1 William F. Cahill to discuss the case of [ ] who had written  
 25X1 to the Congressman objecting to the rejection of his application through  
 25X1 a blind Commis ad to a position on the grounds of age. Cahill's office has  
 25X1 written to [ ] forwarding a response from the Civil Service Commission  
 25X1 and considers this a closed case. Under the circumstances it was agreed  
 25X1 that we would not do anything further on this case unless [ ] pursued the  
 25X1 matter with the Congressman.

25X1 2. [ ] Talked with Representative Frank M.  
 25X1 Karsten concerning his letter asking for our views on a Missouri news  
 25X1 item which stated that "intelligence reports" were being made available  
 25X1 to Cuban refugee groups. Using background material provided by the  
 25X1 DD/I, I advised Karsten of the procedure for interviewing Cuban refugees.  
 25X1 I added that after evaluation and correlation with other intelligence informa-  
 25X1 tion on the subject matter of their statements, some refugee statements  
 25X1 appeared in CIA intelligence reports. I then distinguished these reports  
 25X1 from those which might be prepared by some of the larger Cuban refugee  
 25X1 organizations (sometimes based on the same statements), and which were  
 25X1 subsequently made available to the Cuban refugees on an information basis.  
 25X1 I emphasized that CIA intelligence reports were not made available to  
 25X1 unauthorized persons. Mr. Karsten lamented the terminology used in the  
 25X1 article and I agreed that it was unfortunate but there really wasn't anything  
 25X1 which could be done to prevent it.

25X1 3. [ ] Briefed William Darden, Senate Armed  
 25X1 Services Committee staff, on Egyptian use of Soviet TU-16 aircraft.  
 25X1 (Senator Russell had mentioned to the Director seeing a damaged TU-16  
 25X1 in Egypt in the course of his recent trip.)

25X1 4. [ ] Extended to Senator Stuart Symington  
 25X1 (through James Gehrig of his staff) an invitation for the Senator to attend  
 25X1 the award ceremony for Mr. [ ] at noon on 10 December.  
 25X1 Gehrig later advised that the Senator would be pleased to attend. We are  
 25X1 to be in touch with his office regarding transportation and other details.
